WHY CHOOSE BENEFIT CONSULTANTS GROUP

WHY CHOOSE BENEFIT CONSULTANTS GROUP:

Benefit Consultants Group (BCG) knows that the right retirement plan is critical for both business owners and financial advisors and that choosing it challenges even the most talented business professional.

Since 1958, we have been helping organizations design, implement, and administer innovative plans. No matter how complex your needs, you will find technical expertise in recordkeeping and plan administration that has become the industry standard.

EXPERT ADVICE:

A team of industry professionals supports our retirement plans.

- In-house consultants, ERISA attorneys, accountants and actuaries will work with you and your advisors to insure your retirement plan meets your specific needs and objectives.
- A staff of industry-leading professionals who have an impressive average tenure of 9.7 years will address your questions and concerns.

INNOVATIVE OPTIONS:

Our service offering allows you to add additional features as your business needs change.

- Our active involvement with the government's changing legislation aligns your plan with current requirements.
- Our exclusive Retirement Plan Design process allows us to balance for your business' needs.

PERSONALIZED SERVICE:

Our commitment to clients individualizes each relationship.

- Our accuracy, timeliness and commitment to you is backed by a written, five-part, money-back guarantee.
- In addition to your participants receiving award winning statements and 24/7 account access to their plan information, you will also have access to a dedicated Account Manager who will handle any time-sensitive needs.
